

Refund Standard for Educational Practicum Tuition

Withdrawal or Termination Time	Refund
Withdraw the application before practice (Before July 31 of the first semester, or before January 31 of the second semester)	Full refund of the payment
Terminate the application within the first month of the practice (Before August 31 of the first semester, or before the end of February of the second semester)	Refund three quarters of the payment
Terminate the application within the first two months of the practice (Before September 30 of the first semester, before March 31 of the next semester)	Refund half of the payment
Terminate the application within the first three months of the practice (Before October 31 of the first semester, before April 30 of the second semester)	Refund one quarter of the payment
Termination of application after three months of practice (After October 31 for the first semester, or after April 30 for the second semester)	non- refundable

Remark:

1. Educational Practicum Tuition is on credit unit basis of the semester, and it is charged 4 credits.
2. The half-year educational practicum is from August 1st to January 31st in the first semester, and from February 1st to July 31st in the second semester.
